

UCR HEALTH IS COMMITTED TO BRINGING HEALTH HOME

We are a team of physicians, specialists and healthcare professionals dedicated to improving the health of you and your family.

Our patient-centered primary care and specialty services deliver university-based healthcare excellence and innovation to the communities where we live, work and play.

Established alongside the School of Medicine at the University of California, Riverside, UCR Health is growing to meet the healthcare needs of our region – new office locations, new physicians and more specialties – bringing innovative medical care to our communities.

JEAN RUSSELL, MD, FAAP

BOARD CERTIFIED PEDIATRICIAN

"I strive to serve each patient and each patient's family with the same courtesy, thoughtfulness and professionalism that I expect for my own family. As a mother of two under five, I understand the importance of providing empathetic and compassionate care in a timely manner."

JOHN NEVIN, MD

BOARD CERTIFIED PEDIATRICIAN

"As a parent of an 18 month old I know how stressful a sick child can be (or a healthy one, for that matter). I strive to be caring, thorough, and to always take a holistic view of my patients. Patients should leave each clinic visit feeling all of their issues have been addressed and all of their questions have been answered."
