**Strategic Imperative** | Strategies | Timeline | Progress/Status | Notes |
---|---|---|---|---|
**Regulatory and Medicaid growth education programs** | Ongoing through FY23 | | | It is not realistic that many existing partners will "transition" their programs to UCR sponsorship. As an alternative tactic seek to ensure all new programs are UCR sponsored and individually evaluate and improve existing relationships. |
**Strengthen the clinical enterprise and prepare for long term partnerships** | Ongoing through FY23 | | | Progressing |
**Increase research and deepen commitment to clinical and population health research** | Ongoing through FY23 | | | Progressing |
**Embark on a UCR SOM-led campaign of strategic philanthropy** | Ongoing through FY23 | | | Completed |
**Improve our ability to execute on our plans** | Ongoing through FY23 | | | Progressing |
**Increase and diversify the physician workforce and address the shortage of physicians in the region** | Ongoing through FY23 | | | Completed |
